Roommate policy: Campers may request a roommate as long as both campers are close in age. Both campers should note the request on the application form. In the event of an age difference, the older camper must move down to the younger camper's cabin. No campers are allowed to move up to an older cabin. Please make roommate request at this time. It is very difficult to change cabins once the assignments have been made. It is our intention to make camp a pleasant and positive experience for all campers; however, we may not be able to grant all roommate requests.
